About

Based in Breda, The Netherlands, we specialize in sophisticated customer-specific equipment & services projects in the Life Science industries, primarily the Pharmaceutical (Human and Animal), Medical & Clinical Instrumentation and Food industries. Our knowledge is deeply rooted in the automated pharmaceutical packaging business. We have the in-house expertise and very specific know-how to help overcome the evolving challenges constantly faced by customers in highly regulated markets. Relying on many years of combined experience and skills in the management of large-scale projects internationally, we offer a complete range of equipment and service solutions for the pharmaceutical packaging industry.

Dec Netherlands is part of the Dec Group. Headquartered near Lausanne, Switzerland, Dec Group has a global presence with subsidiaries and agents in more than 30 countries including European subsidiaries in the UK, Ireland, Germany, Poland, and the Netherlands, together with Asian offices in India and China, and North America.

What do we have to offer?

We offer an informal atmosphere based on entrepreneurship, quality, teamwork in an international environment, personal contact, and lasting relationships. Working at Dec Netherlands brings you high-tech challenges and enables you to think creatively to come up with innovative solutions.
